LOCK & HANDLES CO L.L.C.

About us:

Lock & Handles Co. was founded in United Arab Emirates on January 2021 and was managed by a Professional Team with Experience in ironmongery since 2000.

We are a distributor and manufacturer of hardware, ironmongery and branded handles. The department caters for the engineering needs, such as door Ironmongery, master key systems, door maintenance products, door handles, sliding doors and access door control. Together with our manufacturing partners we can provide a tailored package for any project from design to contract completion, with the emphasis on ensuring the correct solution for every application.

Viewing from a new industrial perspective, Lock and Handles Co. applies sophisticated techniques and innovative technology, setting the standards in quality hardware, which redefines household hardware.

"YOU CAN'T USE UP CREATIVITY. THE MORE YOU USE, THE MORE YOU HAVE."
